DEAR MR. SNOW,

I AM WRITING TO YOU FROM THE SOUTH FORK OF THE AMERICAN RIVER AND I'D LIKE TO ENCOURAGE YOU TO OPPOSE ANY PROPOSALS TO CONSTRUCT DAMS IN THIS REGION, OR ANY FOR THAT MATTER. TO THINK THAT THERE IS A POSSIBILITY THAT MY CHILDREN AND GRANDCHILDREN WILL NOT BE ABLE TO ENJOY THIS, AND OTHER RIVERS THROUGHOUT CALIFORNIA, THE WAY I AM NOW, IS A TRAGEDY. ~~THE~~ INCREASING WATER STORAGE ~~IS~~ TO ACCOMMODATE SUCH THINGS AS THE PRODUCTION OF RICE IS LUDICROUS. PLEASE THINK ABOUT OUR FUTURE!

SINCERELY
